Select your OS & Hardware Upgrades

Operating System:

 We currently offer CentOS Linux flavor.

SAN Storage:

 You can choose to attach more storage to your server by buying space on our SAN device

Control Panel:
 cPanel
 cPanel will be installed as the default control panel for your server

Billing Panel:
 None WHMCS @ \$ 5.00/mo
 If you choose to resell hosting, the billing panel will help you manage, bill and provision packages for your customers
