- ▶ Full Service Lighting and Electrical Contractor
- ▶ Serving the Greater Bay Area
- ▶ Dedicated to Excellence in Design, Installation & Service

Artistic Lighting & Electric is one of the Bay Area's largest and most experienced full service lighting and electrical contracting firms. We offer a full range of services for both Lighting Design and Lighting Control, as well as Electrical Contracting. We cover the entire Bay Area region, from the Peninsula to the Wine Country, with a core area in San Francisco and Marin County. We also offer electrical and lighting maintenance expertise. Our company, based in Novato, California, employs a staff of design, management and trade professionals. We take great pride in the quality of our crews and their on-the-job professionalism and courtesy. We maintain high standards by attracting and retaining talented and skilled personnel, who share our firm's vision and passion for continued excellence in our field.
