Work from Anywhere!

Drawp for School unburdens teachers and students by providing a paperless method to manage assignments. Teachers can upload assignments, review work, and assign grades all in one place. Students and parents love Drawp for School because it lets them receive assignments, complete the work, and see their grades. And, with Drawp for School's safe and secure cloud storage every student's work can be archived. Eliminate trips to the copier. No more "the dog ate my homework" excuses. Teachers and students are no longer bound to their desks and classrooms—teaching and learning can happen anywhere.

Great Concept...Needs More Attention
This really should be a beta app at this time. Concept is great and the website, info, and videos are spot on. However, after working with this app on the iPad, the workflow [more](#)

Description

Drawp for School is an all-in-one K-12 platform for creation, collaboration, content and workflow management. It includes rich design tools, swipe-to-share collaboration and cloud storage. Partially funded by the National Science Foundation, the platform includes robust accessibility features such as an add-on language scaffolding tool, text-to-speech and voice recording.

Drawp helps teachers reach students at their individual level in any subject. Drawp can be used with all subjects, and saves time for teachers by automatically distributing, collecting, organizing, and storing assignments.

The free Drawp Resource Marketplace provides teachers with an easy-to-access repository of educational resources to download and share.

Used with All Subjects, Drawp is Ideal for:

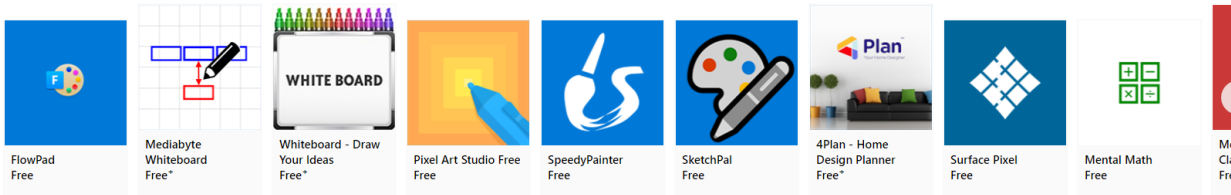

- STEM, STEAM, Maker Ed
- English Language Learning
