What is Polyamory?

What is Polygamy?

What is Polyandry?

What is Polyamory?

Similar to polygamy, polyamory also consists of loving more than one person. Polyamorous relationships usually are nontraditional and can include couples, groups, same-sex, and more.

What is Polygamy?

Polygamy consists of loving more than one; these relationships are more along the lines of being faith-based. A traditional polygamous relationship is often in the form of polygyny.

What is Polyandry?

A polyandrous relationship consists of loving more than one man and can be traditional or nontraditional. Polyandry can include a separate or shared living arrangement.

SISTER WIVES GUARANTEE

Sister Wives is devoted to helping our members find the love they seek. Whether seeking a sister wife, or some other type of poly relationship in the polygamous or polyamorous realm, we are here to help. If you are a paying member and do not find a suitable match after 12 consecutive months, the next six months are on us!

SISTER WIVES GUARANTEE

Sister Wives is devoted to helping our members find the love they seek. Whether seeking a sister wife, or some other type of poly relationship in the polygamous or polyamorous realm, we are here to help. If you are a paying member and do not find a suitable match after 12 consecutive months, the next six months are on us!

Sister Wives has been committed to the polygamy community both online and in real life since 2008. We believe polygamy is a form of polyamory and welcome all approaches to relationships that bring true joy. This is the place to discuss what poly means to you. Find dates and friends that make you smile, tell your stories in our forums and blogs, share your unique experiences, and explore new ideas. Whether seeking a sister wife, seeking a group or couple to date, wanting to become a sister wife, curious about a polygamous relationship and how polygamy dating works, or finding an event to meet people like you, it's all right here. Sign up to find your matches and embrace your poly love life today!
