## Practice makes perfect

We know about your hectic schedule. We also know the only way you truly understand a subject is by practicing it in a real environment. This is why we've set a playground area that's full of hours of exercises, questions and challenges.

It even has a tissue culture section coming soon!

## The best campus facilities

In addition to our online classroom, we also offer an option to take part in a live classroom. It takes place in our vast campus located in downtown Orlando, Florida. Here you'll be able to use the most up-to-date facilities and cultivation equipment.
