Do what you do online. Firefox Browser isn't watching.

How Firefox compares to other browsers

Get all the speed and tools with none of the invasions of privacy. Firefox Browser collects so little data about you, we don't even require your email address to download. That's because unlike other browsers, we have no financial stake in following you around the web.

Latest Firefox features

Picture-in-Picture

Pop a video out of the browser window so you can stream and multitask.

Expanded Dark Mode

Take it easy on your eyes every time you go online.

An extra layer of protection

DNS over HTTPS (DoH) helps keep internet service providers from selling your data.
