EQUIP. RETURN LOCATION DIRECTORY

Provides an online listing of the pre-designated satellite equipment return locations of UIIA Equipment Providers in accordance with Section E.1.b. of the UIIA.

[CLICK HERE TO GO TO THE ERLD DIRECTORY](#)

UIIA Motor Carriers

- To download a complete listing of satellite locations for all Equipment Providers go to the ERLD Directory and click on the Excel or PDF links at the top of the page under the heading, "Download All EP Satellite Locations".

UIIA Equipment Providers

- Equipment Providers can manage their satellite locations within the Equipment Return Location Directory (ERLD) by logging in with their UIIA credentials from the home page of the ERLD directory. Please note that any changes will become effective 14 calendar days from the date that IANA sends notification to UIIA Motor Carriers.
