

LINE

Product Data Sheet

The timeless, minimalist form of L I N E landscape panels, designed by Shane Coen and Coen + Partners, defines the landscape within and around its boundaries. L I N E panels delineate space, provide enclosure, and give landscape architects a new medium with which to express their unique visions. L I N E takes the hassle out of creating custom boundary elements. L I N E's flexibility supports custom patterns and sizes to reflect a landscape architect's unique design.

General Specifications

- L I N E is available as standard in 8 panel types
- All panels are constructed of extruded and fabricated aluminum
- All panel types are available with a matching gate option
- Gate hardware (hinges, handle mechanism) are included with an order; bespoke hardware may be specified as a custom
- All panel types are available in 4' and 6' panel heights
- Posts are spaced at 6' intervals for 4' height panels, and at 4' intervals for 6' height panels as standard; modified post spacing is available to accommodate a specific site plan
- All panel types are available surface mounted or embedded
