

Industries We Serve

Wholesale monitoring services to a variety of devices across multiple industries.

Security

When you select AvantGuard to provide security monitoring, you can be sure that you will receive a quick and accurate response, always accompanied by a friendly, professional voice on the other end of the line.

[Learn More →](#)

Fire

Whether a subscriber is in the house or on vacation, AvantGuard reacts fast to fire alarms. With many years of fire alarm experience, we have confidence in contacting the right local authorities in the best way possible.
