Dear Calgary Services, LLC Employee, This year our W-2 forms will be available online. You can view your W-2 at <http://calpy.greenemployee.com> To log in you will need to know your Social Security Number and your custom password OR your Birth Date. You will be asked to consent to receive an electronic W-2 in place of a paper W-2, and a verification code will be generated that you will need to type in. Once you have consented to receive your W-2 electronically only, you will not receive a paper copy, but you may log in and re-print the electronic copy as many times as you need to. If you do not access your W-2 this way, you will be issued a paper copy by 2/1/2021. Sincerely, Calgary Services, LLC

We are extremely behind in MI right now and could use some help. So if you were planning on going home today, but could change your plans to go home tomorrow, or possibly work through the weekend, it would be greatly appreciated. Get with Jim or your driver manager for more details.

When picking up for Arauco in Grayling and delivering to Huntingburg, IN, please follow the address on the bill of lading. Sometimes, not always the dispatch and bill of lading differ.

there has been a small change to the Company Driver Handbook in the vacation section, regarding how many days you can take off at a time. An email has been sent to you from Greenemployee to sign in, review and sign off on the updated version. Please let me know if you have any questions. Thanks, Kathy House 989-891-2545
