Specifications: 25ml/Bottle

Shelf Life: 3 years

What is fullerenes?

Fullerene is the most popular skin care ingredient in the world because it is the strongest anti-oxidant substance in the history of Nobel's scientific achievements. It can effectively remove and resist skin free radicals, prevent skin aging and dullness, and improve the elasticity, dryness and color. Various skin problems such as spots

According to the experiment, the antioxidant capacity is 172 times that of vitamin C, and the whitening effect is 100 times that of vitamin C!!! Since the 21st century, it has become a high-profile cutting-edge beauty ingredient, and is even known as the "king of anti-aging."

Fullerenes have excellent value in anti-wrinkle, whitening, and anti-aging. Fullerene can not only fight free radicals from the roots, but also bring major cosmetic effects: double anti-oxidation, lightening wrinkles, firming and tightening pores, long-lasting

moisturizing, brightening skin tone, healing beauty, inhibiting melanin, etc.

How to use: Apply after cleansing/toner , take 4-5 drops of liquid on face,Gently massage with fingers until completely absorbed
