AVIATION HEADSETS

Give us a call now: 305-206-5149

FOR GENERAL AVIATION PILOTS AT ALL LEVELS.

All our headsets are CE Certified with all components undergoing rigorous testing to insure the highest quality. Wicom Headset performance has been certified by Bureau Veritas CE test certification, and our Noise Reduction Rate is also certified by an American standard laboratory. You can choose from a wide variety of high quality headsets, and find the perfect fit for your individual needs at a price that is not prohibitively expensive. We are committed to, and genuinely proud of our role as the source of affordable communication solutions for General Aviation Pilots.

THE COCKPIT IS A GLORIOUS, ONE-OF-A-KIND ENVIRONMENT.

It's simultaneously serene and stimulating. Serene, because com on... those views, and that magical, in the sky feeling. Stimulating,
