★★★★★ January 14, 2021   2

I love the app! There are three levels (for beginners, intermediate and advanced). There is also a list with workouts that I can incorporate in my daily training, which I love. I usually do more sets than it says on the app and I add one or two exercise, so it really helps me in my navigation. I nev...

★☆☆☆☆ January 19, 2021   3

This is a bare bones basic app. It essentially is the gym/home guides in an app. It doesn't work well on an android. It never saves the data that I enter for my weights, it often shows that I haven't completed a day, when in fact I have. I am disappointed in myself for paying so much money for a yea...

★★★★☆ January 20, 2021

I've been using this app for the last 3 weeks and I've been enjoying it so far! Like others have said, there are some parts of it that aren't working quite right yet (picture progress tracking is the big one for me), but I don't won't to knock off a lot of points for that during the beginning stages...

★★★★☆ January 26, 2021

I love this app! I have been using it for 4 weeks now and I am enjoying being able to track my progress. The only reason I didn't give it a five is because I still can't upload a progress pic- ture which is frustrating. I also have issues with the little icons being bunched together to where I cant cl...
