**Overall pretty good, but with some glitches**  
I was under the impression that wire was secure. Then I read some reviews. It is disappointing how insecure it is. Lately it has had a bug which exhibits an icon badge [more](#)

**Good app, but major security flaws**  
This is a nice, well-designed app, but unfortunately it has major security flaws. Wire keeps logs of any contact you've ever contacted saved on their servers forever [more](#)

**Love it but please up the account limit!**  
I just started using this app as a fun way to message "in character" with the characters I write with my friends. So far, I'm loving the ability to customize the appearance of [more](#)
