MaxiMover with Adjustable Poly Shelves

- Eliminate the costly and unsightly rust stains commonly associated with traditional wire shelves.
- MaxiMover with Adjustable Ploy Shelves converts the trucks easily and quickly from a clean linen shelved delivery truck to a soiled linen bulk transport unit, by simply repositioning the shelves into the vertical position.
- 48 ft.3 capacity; 28½" outside width, 47" outside length, 60" inside depth, 69¼" overall height
- An optional security cover is also available.
