REVVING OUR HONDA K24 TO 10,000RPM, IT SOUNDS INSANE

Holy crap. Suppy pretty much just built an F1 motor, except for Honda heads. Do we really have to give this thing away?? Yes. Yes we do. Because there's already a lucky SOB of a winner named Morgan who's taking this thing home. But that's not stopping us from building another...

### NAD'S CIVIC EG BUILD PART 1

Nads is so much more than our human JDM encyclopedia. So much more than the world's oldest ricer. And since the dude is one of the only members of the Hoonigan family without a dumb/fun project car to rip around with us on the weekends, we decided to do what we do best...

### WE SURPRISE NADS WITH HIS NEW HONDA CIVIC EG BUILD, IT RIPS! (PART 2 OF 2)

We've never done anything like this. Sure, we've built cars, we've done a charitable thing or two, we've surprised our own work family (for better or worse). But this? This right here, hits us in the feels. Nads works his, uh, nads off to help the Hoonigan machine run. And asks for nothing in return. So we present to him the ultimate scumbag gift: a project car of his own, for weekend wrench sessions with us.
