Features

- Smart sensor technology delivers real-time unique body pressure map to the ReST app.
- 3 ergonomically designed body zones for ultimate customization.
- Automatic real-time response.
- Independent control on each side of the bed.
- Limitless firmness configurations
- 4" cooling gel infused memory foam top for added comfort
- Nightvision, a Sleep Quality Monitor
- Split top (King) available for ultimate adaptability with an adjustable base

Modes Of Operation

MANUAL

Maximum customization. Adjust 3 body zones independently for ultimate pressure relief custom fit to your unique needs.

POSITION

Customization & automatic response. Memory lock settings for your 3 body zones in two different sleeping positions – back or side, and as you change position naturally during the night, the bed adjusts for you.

AUTOMATIC

Ultimate automatic response. Choose a general comfort setting from soft to firm, and let the smart bed work its magic – adjusting each individual zone automatically and in real-time throughout the night based on your unique pressure distribution.

Peace of Mind

The ReST Bed™ Guarantee.

Your bed for life – The ReST Bed™ is backed by a 90-day money-back guarantee trial period as well as an industry leading 10 year non-prorated warranty. Our modular design means you never have to buy another mattress again.
