#### About this item

- [Rechargeable, Long Life Battery]** : This wireless rechargeable camera comes with a rechargeable battery that will provide 1 to 6 months of worry free use before a recharge is required. The wireless security camera outdoor will give your home peace of mind with continuous 24 hour per day protection. (NOTE: Reset Camera: press the power button for twice, APP: AdorCam, Important Tip: FULLY CHARGE the battery before using it for the first time).
- [1080P HD Picture Quality & Clear Night Vision]** : The wireless outdoor security camera provides 130 degree wide angle, 1080P quality video and image. It will automatically adjusts to the ambient light level and when necessary, will auto-switch to night vision mode with a 64ft visible range. Whether it is night or day, it will provide a clear wide video of any area you wish to monitor. With the included AdorCam mobile app, the system's live or recorded video can be accessed anywhere at any time.
- [Super Easy to Install & setup]** : In less than five minutes, without any complicated tools, the complete wireless cameras for home security can be installed, setup and ready to use. The wireless camera can be installed virtually anywhere with the provided, bracket and screw. Since the indoor/outdoor surveillance camera is completely wireless, no power cords or network cable are needed, allowing the installation to be easily completed without running any wires.
- [Wire-Free & Smart Motion Detection]** : This security cameras for homes outdoor camera wireless without the need for wires is much more convenient to install, and is much safer because of its reliability. The PIR sensor can send notifications to your smartphone (Android or iPhone) when motion is detected, providing a higher level of security that will prevent thieves and help screen
