The screenshot shows a web browser window with two tabs: 'Essentials - Snug' and 'Uppababy Vista Stroller - Snug'. The address bar shows the URL 'getsnug.com/product/uppababy-vista-stroller/'. The website header includes the Snug logo, a search icon, and navigation links for 'SHOP', 'ABOUT', 'LOGIN', and a shopping cart icon showing '\$0.00'. The main content area features a large image of a blue and black Uppababy Vista Stroller on the left. To the right of the image, the word 'RENTALS' is displayed in a small font above the product title 'Uppababy Vista Stroller' in a large, bold font. Below the title is a short paragraph: 'Roll with 1, 2, or 3. The family that strolls together, stays together. Literally. The VISTA starts as a single and expands to accommodate up to three children of similar or various ages and stages. Rent or buy with Snug, whatever fits your life.' Underneath the paragraph is a 'Color' dropdown menu with the text 'Choose an option'. Below that is a section titled 'Usage Options' with three radio button options: 'Purchase New (\$1,000 one-time) (+\$1,000.00)', 'Rent Weekly (\$60/wk, cancel anytime) (+\$60.00)', and 'Rent Monthly (\$100/mo, cancel anytime)'. The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock displaying '2:55 PM 3/3/2021'.
