"The Scholastic Book Fair is coming to Lincoln Christian School March 26-April 2. Make plans to join us!

In an effort to keep families safe, we will not have big family events during the school day this year. Instead, we will have a grand opening event on Saturday, March 27 from 9-2 and we will be open before and after school for families to shop."

Spiritually, personally, and educationally, the real Jesus is so much more than a consultant offering a better life. Jesus is the very power that created the Universe, the center of all things and the One for whom all things exist. In that existence, Lincoln Christian School seeks to build authentic relationships with students, families, and staff, while engaging students with rigorous academics fully embedded in a Christian worldview that identifies and prepares them for their next step.
