ABOUT US

Discover the world's invigorating essences and inspire your own journey of self-discovery.

A place for healing and for inspiration in a serene atmosphere that pleases the eye and centers you from the moment you enter, our hotel & spa goes beyond simply treating the body, by offering a holistic approach to your experience. Every detail is meticulously tailored to create the ultimate destination for wellness and tranquility.

Hotel

So much more than just lovely rooms and delicious food. We're here to look after your every need.

Spa

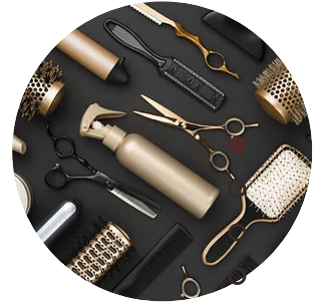

Unwind, relax and rejuvenate in a calm, comfortable space designed to strengthen the connection between mind and body for increased health and happiness.

Beauty treatments

Personalised to your needs, our treatments include a range of relaxing body and facial therapies. Following any of our luxe nail rituals or beauty services you will feel primed and polished to perfection.

Salon Services

Be blown away by our hair stylists. Our full-service salon places you in the expert hands of our experienced, attentive staff.
