We buy charged-off receivables.

With almost 20 years of experience developing proprietary processes, and a team of data scientists who have created industry leading modeling and analytics, we offer creditors the best overall value for their accounts. We refer to our proprietary charge off purchasing platform as "Creditlogistics™". When combined with our team of associates who strive each day to do the right thing for consumers and clients, it's no wonder Jefferson Capital has grown to be one of the leading debt buyers in America.

Benefits of selling

- » Creates immediate cash flow
- » Improves your workflow by eliminating the need to manage the debt internally
- » Reduces the need for you to engage with third-party collection agencies
- » Eliminates wait-times (months or years) without a guarantee of return

Partner with us and you can count on

- » Competitive pricing
- » 100% adherence to industry regulations and compliance standards
- » Fast, efficient, and on time closings
- » Solutions for both secured and unsecured assets
- » Bulk sales and forward flows available
- » Flexible terms
- » Exceptional post-sale support
- » Transparent and straight forward communication
- » Fair, honest, and dignified treatment of your consumers

We offer free portfolio pricing evaluations. Take the next step.
