HEALTH SERVICES

Pursuing Clinical Excellence, Together

At **Synchrony Health Services**, we offer clinical solutions for multiple aspects of post-acute care including **pharmacy** and **rehabilitation**. United by our culture of service, we believe in blending compassion with clinical expertise, to the benefit of our partners, our employees, and most importantly, **the people we serve**.

Synchrony Health Services Providers

A Synchrony Health Service

PCA Pharmacy partners with Skilled Nursing, Assisted Living, and other healthcare facilities to meet the unique pharmacy needs of their residents through specialized clinical operations support services. With multiple distribution centers, PCA is large enough to meet the most demanding requirements, but small enough to offer personal service and attention.

PARAGON

REHABILITATION

A Synchrony Health Service

Paragon Rehabilitation provides comprehensive Rehabilitation services across a vast continuum of healthcare environments, including hospitals, skilled nursing and assisted living facilities, as well as home health. Paragon’s skilled physical therapists, occupational therapists, and speech language pathologists empower their patients to achieve what they never thought possible: their maximum independence.

SYNCHRONY

DIALYSIS

Care when you need it, where you need it.

Synchrony Dialysis offers care when you need it, where you need it. By offering dialysis services on-site at senior living communities, we allow residents to spend more of time living their life, and less time managing their treatment schedule.
