# BIOSECURITY: PROTECTION THRU PREVENTION

The Zep Assure™ Program makes it simple and easy to maintain a clean workspace and helps reduce the risk of spreading infection.

## Zep Assure™ Program

### Get a FREE Zep Assure Biosecurity Program Consultation.

Our consultants will analyze your work areas and provide a customized recommendation - including risk migration.  
Or call **866-276-6725**

Sign up for our newsletter

**Submit**

## DEEP CLEAN

The program centers on a process of continuous protection measures for critical touch areas (CTAs) – or areas in frequent use by multiple users, such as light

**Zep Assure Armor Cleaner Concentrate**  
Rapidly removes built-up soils and grime in hard to clean but delicate areas. Extremely effective of removing general grit and grime that soils seating areas, floors, and walls. Excellent emulsifying and strong rapid wetting properties.

## DISINFECT

The disinfection process is backed by Zep products that have been approved by the EPA to kill the virus that causes COVID-19 as well as other widely circulated pathogens. Zep consultants can help with frequency and proper application both for frequently- touched surfaces as well as larger areas, ensuring proper protocols are followed. (please read the instructions on product labels before using).

**Zep Aviation RTU Cleaner Disinfectant**  
Ready-to-use, non-streaking cleaner and disinfectant. (EPA Reg. # 6836-152-1270)

- H02501 (12-qt/cs)
