Common questions

Do you have a trial version?

Not yet, but you can watch [this demo video](#) of the Illustrator version and [this one](#) of the Photoshop add-on.

Should I pay for future updates?

No, updates are free. You pay once, and [updates](#) are sent automatically.

Does Fontself run on CS6 or older?

Nope, but it's optimized for the latest CC versions (CC 2015.3 up to 2020).

Can I install Fontself on multiple computers?

Your personal license allows you to install the Fontself add-on on 2 devices, such as a desktop & a laptop computer, and as long as you are the sole user of this add-on on both computers.

Can I install the extension on a Mac & a PC?

Yes, within the maximum limit of 2 devices.

Where can I learn more about using with Fontself?

Easy, just visit [help center](#)
