★★★★☆ **Not much peanut butter flavor**

Reviewed in the United States on March 18, 2021

Flavor Name: Peanut Butter | Size: 40 Count (Pack of 1) | **Verified Purchase**

The coffee itself is not bad, but if you are looking for peanut butter flavor pass this one up. I have only ran across a few pods that had even a hint of peanut butter, the others were just plain coffee.

The coffee was so delicious. I wish I could find the grinds not just the K cups.
