SafeComm is a web portal and an app that can take care of all of your organization's messaging from any device. With all of the legal and parent concerns regarding sexual predators and child safety, SafeComm is the only App that AUTOMATICALLY copies parents on all communications between the staff and the children. With one click, parents are kept in the loop to ensure that all communications are professional.

- Easily download rosters.
- Message individuals, groups or entire organization.
- Website to easily organize your groups.
- Send messages from your phone, tablet or your computer.
- Secure Communications.
- Contact information is hidden from other users.
- Administrators and law enforcement can access messages in the case of a formal complaint or arrest involving illegal or inappropriate behavior against a child (Local laws apply).
- Compliant with the USOPC's MAPP guidelines.
