HOW IT WORKS

Yat lets you use emojis as your universal username and identity on the internet. Imagine being known as 🔥🐺 or 🤡👻👑 instead of coffeequeen98 or jake.smith2438@gmail.com.

By owning a Yat – let's say 🌊 Ψ 🌴 – it's yours forever. You are the ~only~ one on earth who owns these emojis.

The possibilities are endless with Yat. You can receive payments, use it on your socials, and eventually much more. Your Yat can be used as a link like this: https://y.at/🌊 Ψ 🌴 (click it to see it!) and automatically redirect visitors to any website you want.

Document title: Yat
Capture URL: https://emojis.y.at/
Capture timestamp (UTC): Wed, 21 Apr 2021 23:52:51 GMT

Or you can set up a Yat Link Page to share multiple links, your social media, payment apps, and anything else.

You can use your Yat emojis everywhere, and give people another way to find, remember, and connect with you.
