About us

Lane Perks (formerly eServus) is the market leader in providing concierge and tenant engagement services to the commercial real estate community, serving a portfolio of hundreds of office towers in 19 cities across the U.S. and Canada. Lane Perk's clients include many of the largest property managers in North America, including Brookfield Properties, Cadillac Fairview, Equity Office, GWL Realty Advisors and Triovest.

Lane Perks is an exclusive service that provides tenants with access to an extensive selection of offers to save money on tickets, hotels, car rentals and more. Using Lane Perks is simple: Members log on to the Lane Perks website and place their orders online. For added convenience, orders are delivered right to their office building or electronically.

We are excited to announce that eServus has been acquired by Lane, the world's leading workplace experience platform. This acquisition will allow eServus to integrate our tenant engagement tools with Lane's market-leading technology, creating an unbeatable tenant engagement solution for the commercial real estate industry. Thanks to all of eServus's employees, property manager clients, supplier partners and shareholders for helping to make this happen!
