

What is a VBS Training LAB?

An innovative way to equip VBS leaders through on-demand video training experiences & live online follow-up sessions.

You'll Learn all-new VBS tips and tricks & Belong to a great network of VBS leaders who share a similar desire to create a life-changing VBS experience for kids. **Plus**, VBS Training LABs solve the age-old problem of trying to gather busy volunteers on a certain day and time.

- ★ **Comprehensive and cost-effective:** Unlock training for your whole team on all things related to VBS programming and decorating, at one flat price!
- ★ **More training content than ever before:** Group VBS is bringing you more extensive training in brief, easy-to-follow videos.
- ★ **Flexible and convenient:** You and your entire team can watch anytime, anywhere, and in any way!
- ★ **Role-specific training:** The whole team can check out videos
