1st Try Results

Chloe on Feb 25, 2021

Today was my 1st time using this Shampoo and Conditioner. The cooling sensation from the shampoo and conditioner feels amazing! My scalp feels clean and my hair feels so light weight! I have relaxed hair and receive relaxers 3-4 times a year. My scalp has always been flaky but over the past year it has developed more! So far I am VERY pleased after just one wash! Ready to see the results after multiple uses!

The truth

Greta Gregg on Feb 23, 2021

I began to use the kaleidoscope miracle drops earlier this month and within only a few days I began to see results on my edges! I was literally bald on the right side of my head due to some box braids I got last fall! I am so grateful for this product as it has helped me tremendously and I highly recommend it! I must try the other products as well!

When i first started using the shampoo and conditioner it left my hair feeling cool and restored. I have been natural for years and i use to ask myself how can i manage my hair and get it soft. So i started using kaleidoscope which left me on WOW... I LOVE IT JUDY

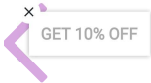

Nothing else will do

Karla on Nov 01, 2019

I've been a faithful user of these products along with the miracles drops for a year. My hairdresser always tells me how much better my hair has been since I started using the products. Nothing else will touch my hair but kaleidoscope products please believe me!
