- Stimulates hair follicles
- Adds shine
- Quick absorbing and lightweight

Kaleidoscope Miracle Drops is the liquid gold of hair products! This hair and scalp oil is filled with essential oils to combat dry scalp, aid in hair loss, and offers a lightweight shine to hair. Kaleidoscope Miracle Drops are infused with cooling peppermint to enhance blood circulation. The tea tree oil helps to cleanse the scalp and combat dryness. Aloe extracts assist with nourishing and moisturizing the hair follicles to prevent breakage and shedding. Miracle Drops are sure to leave your scalp feeling tingly and refreshed. Kaleidoscope Miracle Drops are best when used as a system- accompanying Kaleidoscope Moisture Silk Shampoo and Conditioner or the Kaleidoscope Therapeutic Shampoo and Conditioner.

Directions-

Dab the dropper onto scalp, or targeted hair loss areas. Massage the Miracle Drop oil into those areas thoroughly with finger pads. Best to apply at the beginning of your day. Do not cover up hair with scarf after application. Apply 3-5 times per week. Take a before and after picture to track progress. Expected results are typically between 4-6 weeks. Results may vary.

This stuff is the TRUTH I mean the TRUTH my 1 year old daughter was BALD to the SCALP & after 4 weeks I can grip hair! I mean really grip some hair for a small ponytail! I love this including other products! I wish I could post a picture of her hair! Well I did on Instagram tree_reika08012021!! I have many products I use including the kids and men's line on top of the NEW uniKorn line and therapeutic line

AMAZING PRODUCT!!!

Jamela on Feb 24, 2021

I ordered this back in 2020 and I'm barely running out of it now because little really does go a long way. My hair was so damaged from heat and dye chemicals, that it brittle. Most of my hair was gone and my curl pattern was nearly impossible to get back but thanks to Kaleidoscope products it has restored them!! At first I thought my hair wasn't growing but then I realized that it was just shrinkage that made it seem that way. I stretched one of my 3C curls out and let me tell you that length difference almost scared me lol. I'm really thankful I've finally found a product that actually does what it says so ofc I came back to purchase this again, along with the shampoo and conditioner, (which I haven't tried yet). It's definitely worth the price and I'm a customer for life 🙌

Nice

I cut my beard last year this day on a dare. I've honestly only used the product maybe 15 times in 2020 today my beard is twice as long as it was when I shaved my face naked! I love it! you got a customer for life!

WORKS GREAT FOR MY TODDLER!

Kendra Cannon on Nov 15, 2020

The progress is slow for us but steady. I use it on my toddlers hair about once or twice a week. Her hair was not growing in the back at all. Now it's long enough for me to double strand twist it! I am very pleased with this product.
