Amazing! Love it! To be honest, bought for my daughter, but what she didn't like I loved as a Lip Smacker/Bonnie Bell Collector! Wish they would bring back some of their vintage items, like the cosmic Smackers!!! (Hint, hint)

Every colour and flavour imaginable. Don't care if I have to wear a mask. Lips still get dry.

The flavors brought my sister Back to being a kid in the 90s again (this was a Christmas gift). Over the years the quality of lipsmackers stayed great. What a fun trip down memory lane for her.
