### No late fees or evictions

As long as you are successfully enrolled and making payments.

### No credit check. This is not a loan.

Everyone with income can be approved. And choosing Flexible Rent can actually help you avoid using a high-cost loan!

### Autopay. Set it, and forget it.

Online, automatic payments make sure you'll never forget. We also offer debit and credit card payment options.

## Till is here to make your rental experience and financial life amazing.

We work with you to establish flexible payment schedules that work. With Till, rent becomes an afterthought. We automate your payments, and ensure you're never hit with late fees or evicted while enrolled.

## What People Are Saying

"Till is the best thing that has happened since this pandemic. They give you the option of paying your rent in pieces or all at once. I do not know what I would do without their help. I thank you for them every day."

— Monique W., Resident

"Till has completely altered the way we approach rent collection, but more importantly, it has improved our fundamental relationship with our residents."

— Les M, ACRE

"Working with Till has helped my family stay in our home, pay on time and avoid eviction. Being able to divide my rent over the month to correlate with my paycheck has allowed me to be ahead or someone on rent now."

— David M, Resident

### OUR MISSION

## Pay, stay, and thrive.

The home is the foundation for every family. We believe it should also be a financial foundation.

Till provides personalized financial experiences for renters, transforming their ability to pay, stay, and thrive in their homes.
