

Getting Started with WooCommerce Payments

If you're new to payments, read our start up guide to begin accepting payments on your online store.

[READ START UP GUIDE](#)

"WooCommerce Payments installed in a snap, and I was up and running in no time...my business increased essentially overnight."

"This has really helped our business. Until we started using it, we were sending out manual invoices that we had to process. With WooCommerce

"[WooCommerce Payments] is the easiest, most integrated system we've seen – payments go through with no problem now."
