#### DETAILS

- **HAUNTING ANIMATRONICS:** Pivoting wheels allow Holly to glide from room to room, pursuing your guests as they struggle to escape your house of horrors
- **SOUND, MOTION, AND VIBRATION ACTIVATED:** Multiple activation systems will surprise guests while manual activation lets you spread fear with the press of a button
- **ADJUSTABLE ARMS:** Padded iron wires allow Holly's arms to bend and stay in any position you want
- **PIERCING RED EYES:** Holly's LED eyes will fill you with fear and the room with eerie red light, so no one will notice the color drain from your face
- **SPOOKY AND VERSATILE:** A compact, lightweight design makes Holly the perfect addition to any Halloween display, haunted house or impromptu scare fest

### Our 3 Key Ingredients for Innovating Products

#### We Make Everything We Sell

We build everything ourselves by upgrading popular trends with features based on what our customers tell us they want in a product.

#### Prioritizing Affordability

From creating to shipping – we do it all ourselves and rely on customers' satisfaction and word of mouth to drive business, further allowing us to maximize customer saving.

#### Elevated Quality

Our rigorous product testing process has been tried and true since 2002, with manufacturing partnerships from all over the globe including Asia, South America, and Europe.

#### Holly is fab!

I'm having a blast scaring my kids by moving Holly every night, kinda like the Halloween version of elf on the shelf 🤖

#### Creepy

I love Halloween and all it's spookyness and this doll was the icing on the cake!

Love it!

We bought this doll for Halloween. It's so freaky looking that our 7-year-old is petrified of it. So basically it's so scary that we can't even take it out of our attic now! I suppose that's scary doll success. I just wish that it moved around more instead of basically just in one small area.

Kids love it

Super cool and scary. She moves around and the height is adjustable. Sound is loud and clear and pretty creepy.
