Great Quality and Price

Love Harry! Was a great addition to our collection. We had him outside during trick or treating and kept him inside the rest of the month.

This is a truly creepy

This is a truly creepy Halloween clown and for the price you can't beat it! All the neighborhood kids (and some adults) were creeped out and my kids absolutely love it! He is a little smaller than I anticipated, but I also did not pay attention to the dimensions when I ordered him. Overall, he is a great buy!

Harry is great! Love his

Harry is great! Love his motions and sayings! We fixed a string to him on Halloween night so when tugged he scared people as they walked by. I also put a ball cap on him which added an extra touch of creepy! He was well made and easily posed.

Wonderful purchase!!

OMG I love it. The clown was exactly what was advertised. It was very easy to put together. He was a hit during trick or treat. People even posed for photos with him. Definitely worth the money and I'd purchase again!
