#### DETAILS

- **WEATHER-RESISTANT:** Durable resin construction is frost- and weather-resistant to keep your yard or garden full of songbirds all year long
- **BALLAST SPACE:** Fill the hollow space in the pedestal column with sand or water to weigh down your birdbath and keep it upright for all your feathered guests
- **FLORAL ACCENTS:** A petal-shaped water basin combined with Fleur-de-Lis accents and finely detailed lines make this birdbath a visual treat for your lawn, yard, or garden
- **DURABLE:** High-density polyresin is non-reactive, lightweight, and prevents tarnishing over time in sunlight, standing water, or crack during an accidental fall
- **PROMOTES HEALTHY GARDENS:** Attracting birds will help to aerate the soil, distribute additional nutrients, and bring in more water while protecting your garden from pests and harmful insects

This looks lovely on my

This looks lovely on my deck - surprisingly, it is larger in size than I anticipated. It was easy to assemble, and the material seems sturdy. It has weathered a storm with strong winds and I have not used the stakes since it is on the deck. I filled it with cat litter for sturdiness. The birds will be enjoying baths and fresh water.

I'm very pleased with how

I'm very pleased with how this bird bath looks in my memory garden. It was quite easy to put together, I filled it with some sand/gravel that I had. We've had a lot of wind and rain the past couple weeks, and it is still standing straight and tall. Time will tell how it weathers our hot, windy summer and cold, snowy Nebraska winter.
