Dermaplaning Exfoliation Tool

★★★★★ | [813 Reviews](#)

Instant Gratification

This original sustainable tool developed in 2019 removes dead skin and peach fuzz to instantly deliver a smooth complexion, even skin tone, and clear pore congestion. Dermaplaning is instant gratification skincare that enhances product penetration, helps makeup go on smoother, and reduces the appearance of lines. U.S. Consumer Product Safety Improvement Act Certified, the tool is environmentally sustainably designed with a sturdy aluminum handle to optimize user control. Recommended use 1x a week. Each blade lasts through four uses before you po...
