Description & Documents

This Tool Shop™ Flat Soapstone Holder is ideal for marking on metal. It is primarily used for welding, cutting and fabricating applications to create visible marks. The heat and water resistance qualities of soapstone help prevent burn off during welding. The chrome-plated steel holder with brass thumb slide features a pocket clip on the reverse side. It also includes one 4-7/8 inch soapstone. There are 12 positive stops at 3/8 inch increments.

Shipping Dimensions: 7.87 H x 1.97 W x 0.79 D

Shipping Weight: 0.1875 lbs

Brand Name: **Tool Shop**
