The screenshot shows a web browser window with the URL <https://officialpatriotgear.com/collections/jackets>. The browser's address bar and tabs are visible at the top. The website's header is a black bar with the text "OFFICIAL PATRIOT GEAR" in white, bold, uppercase letters. To the left of the text is a white hamburger menu icon, and to the right are white icons for a user profile, a search magnifying glass, and a shopping bag. Below the header, the word "JACKETS" is centered in a bold, black, uppercase font. Underneath this, there is a horizontal navigation bar with three sections: a grid icon on the left, the text "SORT" followed by a downward arrow in the middle, and the text "FILTER" on the right. The main content area below the navigation bar displays two black hooded jackets side-by-side. Each jacket has a small white American flag patch on the left chest. The jackets are shown from a front-facing perspective against a plain white background.
