Helpful in finding your to go place. The reviews helped me pick as I just moved into a new location, it lists all the services and the service providers where people can rate them individually. The payment and scheduling is very easy to do, will always use this to book my beauty needs. Also the big ...

I have had a number services performed by Susan (manicures/pedicures) and have always been satisfied with results.. She is very personable and fun to talk. She does a great job and cares about you as her client. Unlike alot of the bigger nail salons in Woodbury. Make an appointment for one of the se...

Awful. Customer support is terrible. They told me it was my browser and cleared my cache and suggested I pay for the class again. Also refused to help me directly and would only work with the business owner desotr me being the client with the issue. Additionally, the issue was never resolved and the...
