Sync your sales transactions with quickbooks online for streamlined accounting.

NEW

## Live Stream Integration

### Connect With Customers Locally & Globally

Live stream fitness classes and one-on-one training sessions from your computer or your mobile device. Our integration is fully automated and works seamlessly with our booking and payment processing features. Upon booking, customers will automatically receive links to join the live stream by email, text, and push notification.

[Learn More](#)

## Calendar

The Vagaro calendar allows you to view the schedule of multiple service providers on one screen. Conveniently change your availability anytime and reschedule appointments with drag and drop.

[Learn More →](#)

## Notifications

Eliminate No-Shows and confirmation calls. Vagaro automatically sends email, text, or push notifications to your clients reminding them of their appointments or asking them to confirm their attendance.

[Learn More →](#)

## Automated Email Marketing

Use 100s of Vagaro's email templates or create your own. Send automated thank you emails, birthday emails, and lost customer emails.

[Learn More →](#)

## Website Builder

Choose from 100s of templates to get your own website published. Don't want to use a template? Use Vagaro's website builder to customize the look and feel to match your business.

[Learn More →](#)

## Mobile App for You and Your Clients

## Customer Tracking

Get personal with your customers. Track their past and future appointments, previous purchases and take notes about their formulas, allergies, and preferences.

[Learn More →](#)

## Forms

Quickly select a template or build your custom form from scratch. Send legal waivers, intake forms, and surveys to your customers and their responses will be saved to their account.

[Learn More →](#)

## Online Booking

We are your 24/7 receptionist. Your clients can book with you from Vagaro.com, Vagaro App, Yelp, Google, Facebook, Instagram or through our customizable widget on your own website.

[Learn More →](#)

## Reports

Always be on top of your business. Use our customizable dashboard or many other reports and charts to know everything about your business. You and your accountant will appreciate our reports come tax season.

[Learn More →](#)

## POS/Credit Card Processing

## Mobile App for You and Your Clients

Our highest rated, most downloaded mobile apps will fully run your business. Use the **Vagaro Pro** app to book appointments and charge credit cards while your customers use the **Vagaro App** to book with you 24/7.

[Learn More →](#)

## POS/Credit Card Processing

The most affordable POS equipment in the industry. Always in stock and ready to be delivered. POS for your phone, tablet, or computer. Charge credit cards on the go or at your business.

## Over 122,000 Professionals and Growing

### Kandi Armstrong @ e11even

"Always quick help if needed, always improving and adding features. Whenever we have requested a feature it comes to fruition. They have always listened to the needs of salons and stylists."

### Allanah Hayman @ Eternal Beauty

"This is such a fantastic service to be able to offer my clients. I am now getting more than half of my bookings online."

### Heather Carey @ Shag Salon

"My clients love getting the reminders and I love the fact that my no show rate is less than 1% now, when before it was a constant struggle. I am so happy I was introduced to this product and it truly has made my salon life easier"

### Highest Rated

The Vagaro App is highly rated (4.5 stars out of 5) in the app store, blowing our competition out of the water.

### Super Support

Our friendly support team is ready to help. We can be reached by phone, email or instant chat 7 days a week.

### Customer Friendly

Please your clients with many features including online booking 24/7 and automatic reminders for their
