

We're providing affordable, intuitive, user-friendly software and hardware products that foster business growth.

Our Mission

Vagaro strives to help small businesses and independent service professionals reach their objectives by bringing technology solutions that foster growth. Through innovative product offerings, Vagaro gives back a business owner's most valuable resource: time. Our products and services are designed to take the guesswork out of business operations, giving each business - no matter the size - the opportunity to thrive.

Our Values

Integrity

Be honest with team members and customers. Hold yourself up to high ethical standards

Promote Diversity

Help build a culture that is inclusive, where everyone has the opportunity to succeed and

grow.

Be Informed

Continuously collect data, analyze it and use it to improve.

Pursue Excellence

Ask yourself what's next. Anything is possible.

Be a Team Player

Be connected, develop an environment of accountability, be supportive, help everyone learn and have fun.
