

# Best-of-Breed Partnerships

**Put award-winning, industry-leading partners to work for you.**

Logicalis advocates on your behalf with some of the world's leading technology companies to deliver and integrate the emerging and innovative solutions needed to enable digital transformation.

We maintain the highest partner levels and certifications with our key partners—AWS, Cisco, Dell Technologies, HPE, IBM, Microsoft, NetApp and VMware—so you can trust that you'll have access to resources, expertise and experience dedicated to your business. Plus, you'll be among the first to deploy new technologies that help you better compete in today's global markets.

Our partner ecosystem also includes specialty partners working alongside our **vertical** and technology professionals to deliver innovative services that enable you to focus on your core business.
