Learn With Others

Time to get productive! The Focus Room is designed for all students at both university & school level, around the world. Once you enter, make sure you keep your video on for maximum accountability and turn your mic off. Click one of the links above to enter!

Get A Boost

To boost your productivity, we host regular Study
Events to motivate our community. These include *live*study-with-me sessions with well-known influencers,
guided Pomodoro sessions, Lofi music breaks, and
guided mindfulness sessions. View our calendar to
join the next event.
