★★★★★ dhcatlady · a day ago Handy Little Cart But a Bit Overpriced These carts are quite handy and useful. Lots of great colors too, when they are in stock. However, these are very lightweight and not nearly as sturdy or substantial as other brands I've bought. So the same price for carts that look so similar but are of lesser quality is disappointing. But these Simply Tidy Lexington carts are quite useful with lightweight type items and roll well. But I do feel these are a bit overpriced due to the lesser quality and sturdiness. Being able to buy a top for them is a plus, though. Helpful? Yes · 1 No · 1 Report

Useful and multi purpose

I love it. I used it to declutter my bathroom countertop. It's sturdy and rolls easily. Plan to buy another one soon.

Great Cart!

This is a great little cart! Well made and rolls smoothly. Lots of room between levels. I'd recommend for art/desk supplies or make up.
