Dear One,

I hope you're in a good place to "receive" right about now, because...

We just got a message to pass on to you that should pretty much make your day :)

We just got a message to pass on to you that should pretty much make your day :-)

Every now and then, the Cosmos takes note of someone on Earth that she feels has two things going on for them in that moment...

ONE is that they are in special need of healing energy (the Cosmos recognizes the signs of this when she sees it)...

And TWO is that they are destined to do something very important during this lifetime, and so are doubly in need of extra energy and power!

Today, that person is YOU.

The Cosmos has picked out a bracelet for you to wear, with very specific stones, symbols, and healing properties...

And, because it is so important for you to be able to unbox and put this bracelet on soon, she has also asked us to make sure you know that she took care of the shipping for you!

I know it might seem strange that such a huge, non-physical entity would care about a human being on Earth so much, that they would actually use their "super-powers" to pay the shipping on something as insignificant as a bracelet...

But this bracelet is not insignificant. And neither are you. The fact is, the Cosmos is ALWAYS watching out for you, and keeping track of the trajectory of your life (yes even the little things)...

And sometimes the Big Things, like what you need to stay healthy and strong energetically, especially when you have a big Life Challenge coming up!

That is why we want to make sure you have a chance to get your Reiki Energy Healing Bracelet boxed up and sent to your doorstep (don't worry, we have full instructions to make your shipping 100% FREE if you can respond today)...

boxed up and sent to your doorstep (don't worry, we have full instructions to make your shipping 100% FREE if you can respond today)...

...along with two free GIFTS (which we will tell you about in a moment).

But first, we want to say a little bit more about...

How Your Bracelet Was Made, Why It Was Made Specifically With These Elements, And How To Wear And Care For It...

Your Reiki Energy Healing Bracelet was crafted for you with 7 natural gemstones which are attuned to the 7 major energy centers of your body.

At the center of one side of the circle of gemstones is a silver ingot bead featuring the Tree of Life, a symbol revered by ancient Egyptians and Mesopotamians (as well as nearly every culture in history, including Buddhists, Kabbalists, and the Druids).

It represents the foundation of life in all dimensions, good mental and physical health, and spiritual wellbeing.

On the other side of the circle of stones is a second silver ingot bead featuring ancient Sanskrit symbol "Om" - which represents the all-encompassing Cosmic Vibration of the Universe.

(This is probably one reason the Cosmos picked out this bracelet specifically as a physical symbol you can wear on your wrist, that will always connect you energetically).

HOW TO WEAR YOUR REIKI ENERGY BRACELET: The healing energy of this bracelet is appropriate for both waking and resting energy.

HOW TO WEAR YOUR REIKI ENERGY BRACELET: The healing energy of this bracelet is appropriate for both waking and resting energy, so you can wear it all day long, and even at night, if you wish to receive its benefits around the clock.

We just suggest that you remove it if showering or swimming, and in that case to make sure you place it in a safe place such as a box, special shelf, or soft bag, where it's healing energy will be honored and preserved.

PLUS A SPECIAL CHANCE: Tap Into The Cosmos' Reiki Energy Bank FREE Trial Today

Did you know that there is actually a place where the Cosmos has "stored" Healing and Cleansing energy for your Chakras that you can tap into directly...if you know the secret access code? It's called the Cosmic Energy Bank and this is how it works...

The truth is, the Cosmos has an unlimited supply of healing power that humans can tap into...it's called "Reiki" and the most commonly known way of tapping into it is generally through the hands...

But did you know?

There is also another way of tapping into the Reiki healing power of the Cosmos, and that is through images!...

But not just any images.
