Overview

At Forum, we buy digitally-native consumer brands and build them into category leaders. We partner with owners of the best everyday products selling through Amazon FBA and other 3rd party marketplaces.

As long-time investors, operators, and industry experts, we represent the most trusted buyers in e-commerce.

We're hiring!

About

In my role as a Senior Product Manager at Amazon Books, I developed the offline go-to-market strategy for Amazon's first-party devices while simultaneously redefining the customer experience at brick-and-mortar stores is the physical extension of Amazon.com where we leveraged the power of data to help customers dis
