Excel tirelessly works to advance the science of water filtration. As a result, we've designed pool & spa filter cartridges that are more efficient, longer lasting and ultimately provide cleaner, clearer water.

Engineered to Clean

We use only premium-grade, ultra-efficient media along with Black Diamond end caps and a sturdy structural core. Our use of premium materials coupled with efficient flow dynamics provides our customers a longer useful filter life, high effectiveness and low energy use.

Warranty

Excel Filters are made in the USA and include a 6-month warranty and 12-month service life.
